LEGEND: X = PAVE DATE X = PAVE DATE (MODIFIED FROM PREVIOUS SCHEDULE)

Updated 08/15/2023 (this schedule will be updated on a weekly basis and as conditions may dictate)

***** All dates are estimated and subject to change. Please check back closer to pave dates.**
Changes in pave dates are more likely the further out the pave date ***
******The dates above indicate preparatory work including edge grinding, localized pavement repairs, grinding (on certain streets) as well as paving operations. Ancillary work will take place following completion of pavement rehabilitation, including utility adjustments and striping and are not reflected on this schedule.******
