LARKSPUR LANDING PAVEMENT MAINTENANCE & REHAB PROJECT CITY OF LARKSPUR

The City of Larkspur has authorized construction on the above mentioned project. The project is located on Larkspur Landing Circle and Victoria Way. The goal of this project is to provide improvements to the pedestrian and vehicular facilities along Larkspur Landing Circle. The focus of the work includes the replacement of the sidewalk returns and repairing and/or replacing the road surface. Major operations of work where street parking will be prohibited are scheduled to take place during construction and notifications will be posted on barricades at least 48 hours prior to operations prohibiting parking. Please note that road work will take place on the dates below, and some delays are expected for the travelling public.

- October 15-18, 2014
- October 22-24, 2014

During Construction, traffic control will be in place. Access to all businesses and residences will not be obstructed and will be open at all times. On the next page is a map of where and when closures on Larkspur Landing Circle and Victoria Way will take place.

If you have any questions; please call either Jason Miniello or Mike Persons at Bay Cities Paving and Grading (925) 687-6666.
